INSTITUTIONS

You'll come to network. You'll leave connected. And you'll have new perspectives on the issues that are shaping the future of life sciences in our region, our state and our world.

October 29- 30 | *Life Sciences Future*

Life Sciences Future is an event designed by Life Sciences PA to reflect the rapidly-evolving landscape in healthcare - and the more expansive and diverse membership of the Association.

• SPEAKERS

Hear from renowned industry experts on a variety of hot topics and get inspired by this year's Patient Impact story.

• COMPANY PRESENTATIONS

Present your company in front of professionals from all sectors of life sciences in the Mid-Atlantic region.

• EXHIBITING

Showcase your business and connect with over 600 life sciences leaders.

• FUNDING MEET-UPS

Get connected with the funding you need to grow your life sciences business in Pennsylvania.

• PARTNERING

Make the most of your conference experience by using our partnering system to connect with other attendees and schedule one-on-one meetings.

October 30 | *Symposium: Partnerships in Science*

The *Symposium: Partnerships in Science* was created to put research institutions, early to mid-stage companies, and business development teams in the same room with a chance to forge early-stage relationships that could lead to business opportunities.

• COMPANY REVERSE PITCH PRESENTATIONS

Experience presentations from major pharma/biotech/medical device organizations about the technologies they are seeking and how to navigate the process.

• INFORMATIONAL SESSIONS

Attend and deepen your knowledge of the life sciences industry.

• SCIENTIFIC POSTER SESSIONS

A unique opportunity to share research that solves problems and addresses issues facing the life sciences industry.

• MORE SPEAKERS

• MORE PARTNERING
